PHYSICAL THERAPIST POSITION

Full Job description

Overview

We are seeking a dedicated and compassionate school-based Physical Therapist to join our team. The ideal candidate will be passionate about helping students achieve optimal mobility and physical function in academic environments. This role involves assessing students, developing individualized physical therapy plans, and collaborating with school staff and families to support student success.

Responsibilities

- Conduct evaluations to assess students' motor skills, strength, and mobility needs
- Develop and implement individualized physical therapy intervention plans
- Utilize evidence-based techniques to improve students' physical function, posture, and mobility
- Monitor progress and adjust treatment plans as necessary to support student goals
- Collaborate with educators, related service providers, and families to integrate therapy strategies into the school setting
- Maintain accurate documentation in compliance with HIPAA and educational regulations
- Provide consultation and in-service training to school staff regarding motor development and positioning
- Participate in IEP meetings, school-based teams, and consult with administrators as needed

Qualifications

- Licensed Physical Therapist in the state of [Insert State]
- Master's or Doctorate in Physical Therapy from an accredited program
- Experience working in pediatric or school settings is highly desirable

ACCESS 7
EDUCATIONAL SERVICES

- Strong understanding of motor development, orthopedic concerns, and assistive equipment
- Familiarity with HIPAA and FERPA documentation standards
- Excellent interpersonal and communication skills
- Ability to work independently and as part of a collaborative, multidisciplinary team

Join us in making a difference in students' lives through movement and accessibility!
