Job Title: Parent Counseling and Training Provider

Location: [Insert Location]

Job Type: [Full-Time/Part-Time/Contract]

Reports To: Director of Special Education / Parent Engagement Coordinator

Position Summary:

We are seeking a knowledgeable and empathetic Parent Counseling and Training Provider to work with families of students receiving special education services. The ideal candidate will empower caregivers with the tools, knowledge, and support needed to navigate educational challenges and advocate for their children's success.

Key Responsibilities:

- Provide individual and group counseling to parents and guardians
 - Offer training sessions on understanding IEPs, behavior management, and community resources
 - Support families in building effective communication with schools and service providers
 - Facilitate parent support groups and workshops
 - Document sessions, maintain records, and track outcomes in compliance with regulations
 - Collaborate with educators, social workers, and service providers to align support strategies
 - Tailor education and intervention to meet families' unique cultural, linguistic, and emotional needs
-
